SPCA Florida Medical Center Open Amid COVID-19 Pandemic

Lakeland, FL— SPCA Florida Medical Center is open to the public offering curb side service. You and your fur family members are important to us. As we continue to monitor the ever-changing situations surrounding COVID-19 and the impact it is having on our community, our top priority continues to be the safety and well-being of you, your pets, and our team members.

We have eliminated client access to the interior of the Medical Center building to follow the CDC guidelines for social distancing. Our goal is to remain open, so we can continue to serve you and your pets. On appointment day, a member of our Medical Team will meet you at your car to bring your pet in for their exam, or to bring your prescription order to you.

Same day appointments are available to continue to care for Polk County's dogs and cats.

The SPCA Florida Medical Center is open Monday through Thursday, for as long as we can safely.

Please check with us to schedule an appointment or to place a medication refill by calling 863-646-4647. A representative will provide you with special instructions for checking in for your appointment or picking up your pet's medications.

And please remember to use our online pharmacy whenever possible:

We are Here for You. For more information, visit SPCA Florida Animal Hospital at spcamedical.org or call 863/646-4647.

About SPCA Florida
Founded in 1979, SPCA Florida is a 501(c)3 non-profit organization headquartered in Lakeland, serving all of Polk County and the surrounding communities. Dedicated to improving the lives of pets and people, SPCA Florida provides caring, compassion and hope to more than 4,300 homeless animals entering our doors each year.

Open to the public, our Reva McClurg Animal Medical Center is a state-of-the-art veterinary facility that heals and helps 50,000 patients annually. Thousands more pets and people are served through our community outreach and education programs.

Simplistically, every $100 donated to SPCA Florida, or essentially the cost of an average adoption, equates to $3,000 worth of positive economic impact throughout Polk County, Central Florida, and the state. Additionally, we are proud of the fact that 92% of every dollar goes to program resources and helping homeless animals.
